## Lowell Hunky Dory

The Lowell Hunky Dory is based on the classic Downeast half-dory. The flat bottom creates a stable & secure boarding platform whether from dock or vessel, and allows for an easy & comfortable beach or shore landing.

A graceful recreational vessel or excellent work boat for along the shore or around the dock. Great for rowing or with a motor. Color match option for a customized yacht tender. Well-suited for lakes, streams, rivers, and bays.

**Dimensions:** 11' 4" x 48"

**Rating:** 2 hp 4 person or 591 lb, or 684 lb motor person est.

### Standard boat features:

Base boat hand-laid fiberglass with gelcoat

PVC rail, thwart seat

Bow & stern seats with flotation

Nonskid surface for eased boarding

2 sets of oarlocks

Work boat version with glassed rails rather than PVC for easy maintenance

**Cost:** \$3300

### Yacht tender features:

*Includes standard boat features plus:*

Weight-reduced layup - cored transom & bottom and use of knit fabrics with vinylester resin

Oiled mahogany thwart seat & rails

**Cost:** \$5400

Option to color match the paint color/system used on your yacht (price on request)

### OPTIONAL FEATURES

Gelcoat color other than white: \$200

Awlgrip or other paint system color match: Price on request

Varnish: Time & materials

Bottom paint: \$280

PVC rub strake on bottom for rugged beach & shore use: \$450

Canvas rub rail: \$380

Drain plug (recommend for tender): \$95

Teak seats & rails: price on request (recent teak prices have fluctuated drastically)

Many different varieties of trim wood, wood laminations, and molding shapes available

For those crazy about rowing: Customized placement of thwart seat & oarlocks for optimal rowing position: \$100

*Prices exclude tax, title, & transport. Prices are estimated and subject to change.*
